Accessibility Policy

We are committed to providing a website that is accessible to all individuals, including those with disabilities. We recognize the importance of ensuring that everyone can access the information and services provided on our website, and we strive to meet or exceed the standards set by the **Web Content Accessibility Guidelines (WCAG) 2.1.**

To achieve this, we have implemented the following accessibility features on our website:

Keyboard Accessibility: We ensure that all functionality on our website is accessible using only a keyboard, without requiring the use of a mouse.

Alternative Text: We provide alternative text for all images on our website, ensuring that those using assistive technologies can understand the content of the images.

Video Captions and Audio Descriptions: We provide captions for all videos and audio descriptions for all visual content, ensuring that all users can access and understand the content.

Consistent Navigation: We provide consistent and clear navigation on our website, making it easy for all users to find the information they need.

Clear Language: We use clear and simple language on our website, ensuring that all users can understand the content.

Contrast: We ensure that there is sufficient contrast between text and background colors on our website, making it easier to read for users with visual impairments.

Scalable Text: We provide the ability to scale text on our website, making it easier to read for users with visual impairments.

We are committed to ensuring that our website is accessible to all users and will continually strive to improve our accessibility features. If you have any feedback or suggestions on how we can improve the accessibility of our website, please do not hesitate to contact us.
